

START PODCASTING **NOW**

We must **START** somewhere. You might not have all the answers (yet), but just start now. Put down your BEST answer (or brainstorm a few answers!) to the questions below....

1 WHY do you want to podcast?

2 What is the name of your podcast?

3 What is your podcast about?

4 Who is your podcast for?

5 Why would someone listen to your podcast?

6 What ACTION will a listener take?
